

Little time...

Big benefits!

JOIN PTA

SUPPORT YOUR CHILDREN AND SCHOOL

VOLUNTEERING IN PTA IS FUN!

By giving freely just a small amount of your time, you can make a positive impact on your children, the teachers and the schools of LaSalle Elementary. It may be as little as one hour of your time every other month, but your involvement in the PTA is important to continue providing additional funds to the schools for field trips, classroom incentives, bowling plus snacks and drinks, playground equipment and maintenance, author assemblies, field day, Citizenship and Honor Roll refreshments and awards, and much more.

Please provide the following information along with \$3.25, which is for the National PTA dues, then return this form to school.
